CLAMPS PERFECTLY — HOLDS PERFECTLY:

TOOL CASE PERFEKT

- Sturdier and more robust hardshell case
- Sensational clamping effect (brush system)
- Small and large tools can be inserted without obligatory ordering principle
- More secure grip during transport

Tool case Perfekt

The elegant, sturdy and robust hardshell case contains 3 tool boards, holding 4 inserts and a document compartment. The bottom shell with grid layout and separators securely accommodates measuring tools and small parts. The highlight of the case: The tool boards with the sensational clamping effect. Small and large tools can be inserted without much organisation and are held securely in place. Also during transport and even if the case is upside down.

Weight empty: 4,900 g
